May Relmada Therapeutics retains Brio Financial Group and GBH CPAs, PC to prepare the Company for its planned Public Listing.

**New York, NY – May 20, 2013** – Relmada Therapeutics Inc., a clinical-stage company developing novel therapies for the treatment of chronic pain, today announced that has retained Brio Financial Group (“Brio”) and GBH CPAs, PC (“GBH”) as financial reporting consultant and audit firms, respectively. This important development is in line with the plan to prepare the company for a public listing. Both Brio Financial Group and GBH have extensive experience in performing these critical services, specifically for companies of Relmada’s size and stage of development.

“We believe that the significant progress achieved over the last few months and the expected pipeline developments that are ahead of us during the summer largely sustain a company profile that can be supported in the public markets. The addition of Brio and GBH to the Relmada team provides us with the right expertise to comply with the financial reporting and audit requirements necessary for Relmada to become a public company” said Sergio Traversa, CEO of Relmada Therapeutics.
